While all of my stock seed for planting 1932 crop is from hill selection, still there comes a call from the Trade for Certified seed, which I can produce with the able assistance of the Seed Certification Service of the New Jersey Department of Agriculture at the reasonable price of fifty cents per pound above non-certified seed.

I am prepared to pack the seed, in Dealers bags; one pound and up, with their name on, carrying the New Jersey Certification tag with a Serial Number and without my name. For this service a charge of Five Cents per pound above contract price will be made.
